What is Shelf Ready?

Shelf Ready Solutions are an add-on service available for books you order through James Bennett Online (JBO).

We can cover, label, process and/or, catalogue your books before delivering them to you “shelf-ready”.

Shelf Ready options available include combinations of the following:

- Covering - available with biodegradable products
- Processing and Labelling
- Cataloguing including with SCIS

How does it work?

1. Together, we create a Shelf Ready Profile & Agreement for your school library, inc. price per unit.
2. You order your books through JBO. Once they arrive at our warehouse, we process them according to your Profile and they are shipped to you.
3. You receive, reconcile and shelve. Students read and borrow!
