Follett Destiny® Library Manager™

The One-Stop Shop for your LIBRARY

Combine the power of content and technology with Destiny.

Why use multiple vendors for the print, digital and technology needs in your library? Follett provides a full-service experience with Follett Destiny Library Manager, the leading library management solution trusted by more than 65,000 primary and secondary schools.

You can use Destiny to access your print or digital materials, connect the library and the classroom and support digital learning. Your Follett Titlewave® account integrates with Destiny to simplify library purchasing and report accurately on your collection and usage data.

GET MORE WITH DESTINY

- Make resources visible wherever you are – in the library, classroom, at home or on the go. Perfect for students, educators and parents!

- Transition from print to digital with seamless access and management of resources.

- Support classroom and personal learning goals, connecting teachers and students to the right resources and information.

BROWSE YOUR ENTIRE COLLECTION WITH DESTINY DISCOVER™

- Access your print and digital resources in Destiny, in your school or district with a single username and password.

- Simplify student access with one consistent search interface.

PARTNER WITH FOLLETT FOR A FULL-SERVICE EXPERIENCE

- Stay focused on student achievement while we handle project management, implementation, training, data services, technical support and more for your school.

- Choose local or Follett-based hosting.

- Add optional hardware peripherals including scanners, receipt printers and barcode labels.

- Enhance your Destiny experience with WebPath Express™, Standards, Reading Program Services, Alliance A/V™ MARC records and more.
